

INVESTING FOR SUCCESS SNAPSHOT
UPPER MOUNT GRAVATT STATE SCHOOL 2016
FINALISED AMOUNT \$179713

Our school is on track to meet or exceed our targets.

During 2016, we focussed on maximising the benefits of this funding for our students. Reviewing our 2016 investing for success agreement, it is clear that we are on track to meet or exceed our targeted student outcomes.

We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- * Employed an intensive reading teacher & support staff who implemented the Lit Program in Prep to Year 6.
- * We sustained our NAPLAN results with 50% of our students in the top 2 bands in reading and number - we averaged 98% National Minimum Standards for all children.
- * All Prep Students participated in the Pre Lit Program.
- * Approximately 150 children were involved in the Lit Program. We increased our PM Reading levels in Prep to Year 2.
- * The Lit Centre is now fully imbedded in our school/
- * Every teacher participated in structured planning and coaching during 2016.
- * The Head of Curriculum lead an intensive intervention program in 2016
